

Single Stream Recycling Program

1455 Lincoln Recycling Program

Desk Side Trash Bin (Recycling Bin): Lined with Clear Liner

Break Room or Other Trash Bin (Wet / Food Bin): Lined with Black Liner

The following material are examples of what will be collected in your desk side container:

- All Paper Products such as: Office Paper, Envelopes, Card Board, Magazines & Newspapers
- Aluminum Cans
- Plastic Bottles

Your “wet” /food waste will be collected in a separate waste container in a central waste container placed in your break room or another convenient location .

Each evening the janitorial company will empty your desk side container and place the desk side items in a designated recycle container and your “wet”/food waste items in a separate designated compactor, both located in the load dock area.
