UPCOMING EVENTS

Toys for Tots

December 1st-16th we will be collecting toys for children in need through the Toys for Tots Program. The mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys each year, and distribute those toys as Christmas gifts to less fortunate children in our community. There will be designated bins in the lobby for toy drop off. There is no specified list of acceptable toys; however the age range is normally up to 12 years old.

Canned Food Drive

1455 Lincoln will be collecting canned goods and other food items for local communities in need. Food Pantries, Community Kitchens, childcare centers and night shelters are only some of the places that receive food from ACFB. For more information on ACFB and acceptable food items, visit ACFB.org.

Thanksgiving & Christmas

On November 24th -25th and December 26th, the management office and building will be closed for the holidays. Please bring your building access card if you plan on working these days.

Where: 924 Garrett Street, Ste. C.
Atlanta, GA 30316

Chef Kevin Gillespie's restaurant, Gunshow, offers a bold, new take on the traditional dining experience. Inspired by Brazilian churrascaria-

style dining and Chinese dim sum, Gillespie combined the two for a decidedly fun and delicious result. Dishes are presented on rolling carts

and trays to diners at their tables where they can then choose what to order. Pricing is a la carte.

Along with an innovative dining experience, the restaurant's design is also unique. With few walls and a highly visible kitchen, Gillespie and the talented team at ai3, Inc. have created a sense of transparency throughout Gunshow.
